5. Our Parish, together with all the parishes of the Diocese, is in the process of preparing a Pastoral Plan for the next two years.
We encourage all parishioners to participate in this process and give your contribution by filling out a questionnaire. You can fill out the questionnaire in two ways:
 - In writing: you can take a copy from the tables near the front door of the church. After filling it out, you can place it in the appropriate box located on the table.

- Online: you can scan the QR Code on the attached poster or on the notice board. The questionnaire can be filled out and sent directly from your mobile or computer.

The contribution of each and every one of us is important so that together we can help shape the pastoral work for the next two years. The questionnaires should be sent or placed in the box next to the table by September 15th.
